Health Trust

The Sumter County Health Department provides public health services, clinical services, environmental services, maintains birth and death vital records, and prevention measures for communicable diseases. These services are provided under the terms of a contract between the Board of Sumter County Commissioners and the Florida Department of Health. Funding is provided thru county, state, federal, and other sources, the major source offering being state revenue sources. The Board of Sumter County Commissioners works very closely with the Health Department in their mission to promote the health and safety of all residents of Sumter County .

Fine & Forfeiture Fund

The Fine and Forfeiture Funds contained funds needed to carry on all criminal prosecution as provided in s. 142.01, F.S. This fund was no longer required as of July 1, 2004, due to a Constitutional Amendment defining state and county funding responsibilities. Other funding mechanisms are provided through the statutes for the state court system. County funding responsibilities are now handled thru the General Fund.

County Transportation Trust

The County Transportation Trust (CTT) Fund budget contains funds designated for County road maintenance. Although the fund's primary funding source is gas tax, beginning in FY 2007-2008 Ad Valorem millage has been added to assist in funding road maintenance programs

General Fund
